ABOUT STEALER

With immense strength and lightness, steel is an easy material to work with. Steel is also a flexible material, in the sense that its properties change depending on the amount of carbon added in its smelting process.

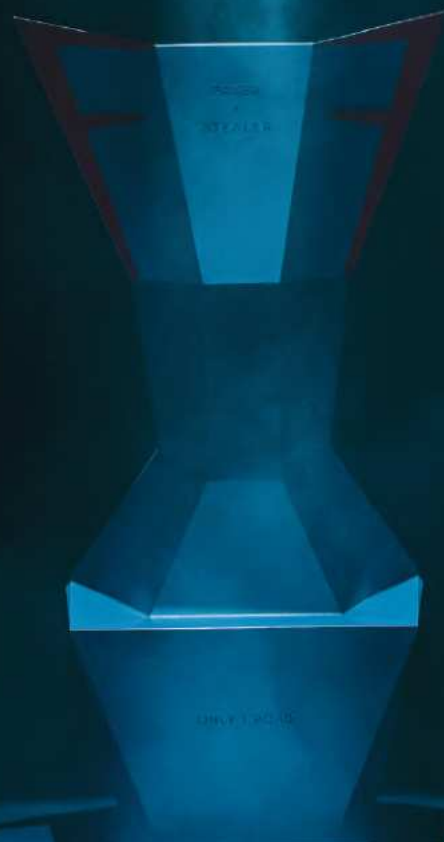

STEALER is a brand that applies the limitless expandability of this distinctive material to the production of eyewear.

As a brand, we aim to re-interpret the material with an in-depth and unconstrained point-of-view.

Re-interpretation of the Steel Material, Steel by Stealer

FAKER STEALER

ONLY 1 ROAD

FAKER STEALER

STEALER's Global Ambassador 'FAKER'.
'FAKER', the unrivaled champion who has walked
the solitary path to the top. For 10 years, STEALER
has been dedicated to the craft of metal eyewear,
and now, we unite with 'FAKER' to complete the
journey of "ONLY 1 ROAD."

ONLY 1 ROAD

ONLY 1 ROAD

"ONLY 1 ROAD" is a collection featuring League of Legends professional gamer FAKER and STEALER. The three keywords, "ONLY", "1", and "ROAD", symbolize FAKER's unique and unparalleled career. The 1 mm thick frames applied to all models in the collection provide practicality and comfort, and represent FAKER's journey to the top with a single team.

CHAMPION

Starting from the 2024 LCK Summer, the 'CHAMPION' eyewear, worn by FAKER, truly lives up to its name, accompanying him through every significant moment. The angular detail on the top of the round shape is a key feature of the 'CHAMPION' glasses, reflecting FAKER's unwavering diligence. It is available in black, silver, and rose gold versions.
